MEMORANDUM FOR: [REDACTED]
DC/DG

VIA: [REDACTED]
C/IRMD/CSG

FROM: [REDACTED]
DC/MG

SUBJECT: Allocation of DG Resources
in Support of ISD & IRMD

1. [REDACTED] (IRMD), Lee Strickland (ISD) and I have agreed to a 50/50 split of the IRMD personnel resources (two people) transferred to DG. Therefore, we ask that DG devote approximately one person-year of resources to each account. Lee is working on freeing up slots in his organization for additional DG personnel on rotation. These personnel would be additional to the one-person year of resources out of "DG Central" supporting ISD.

2. We are still working on equipment issues. However, the ORIS/DECAL equipment as described in the concept paper and related documents is for the use of DG personnel in support of ORIS/DECAL and related projects.

3. If there are any questions, please give me or [REDACTED] a call
